### A Complete Practice

#### Management/EHR/WIC/WIC EBT solution

*CDP is unique in its experience and capabilities to bring under one roof a solution combining all of what ezEMRx has to offer, plus all of what is required of a robust WIC and WIC EBT solution. CDP is experienced with WIC and WIC EBT software development, maintenance, enhancement services, and operational support for multiple WIC information systems. In addition, CDP's universal interface and experience with new WIC-MIS systems presents tremendous financial opportunities for you through an integrated approach.*

### A Cost Effective Solution

ezEMRx requires no upfront cash investment for software. The system can be accessed anytime, anywhere using a browser, with absolutely no server hardware or software maintenance.

### A Certified Product

ezEMRxPrivate Ver 9.00 (IG# 2469-14-0004) is compliant and certified as a Complete EHR by InfoGard on May 09, 2014.
