

Real-Time Payer ID Table Column Descriptions:

Updated:

Date added since last publication. N = New Payer, U = Update to payer record. Those marked as 'Coming Soon' are currently being implemented.

Participating / Non-Participating / Transitional (Par / Non-par / Trans):

Par - Payers which participate with Capario in efforts to increase EDI volumes by subsidizing all or a significant portion of the cost of electronic transmission.

Non-Par - Payers which do not participate with Capario in programs to increase EDI volumes by subsidizing the cost of electronic transmission.

Trans - Payers which participate with Capario in efforts to increase EDI volume, but do not fully subsidize the cost of the electronic transaction.

Pass Through Fees:

Pass through fees are additional fees associated with the real-time connection to a payer. Pass through fees vary by payer. Please refer to your contract or speak to your account representative for details.

Payer Type:

BCBS: BlueCross BlueShield

TRICARE: Formerly known as CHAMPUS - The Civilian Health and Medical Program of the Uniformed Services (in the United States).

Commercial: Commercial health plans.

Medicaid: A program, funded by the federal and state governments, which pays for medical care for eligible individuals and families.

Medicare: Medicare is the US federally sponsored health insurance plan for citizens over age 65.

CORE Certified Payers:

CORE (Committee on Operating Rules for Information Exchange) Payers that have been CORE certified Phase I or II. Capario is connected to their CORE systems.

Phase I:

The Phase II rules build on the Phase I rules, with additional rules for patient identifiers, patient accumulators, claims status and connectivity. The Phase II rules also require patient financial responsibility for an increased number of service codes.

Payer ID:

Used to route transaction electronically to the identified payer. Each real-time transaction must be associated with a payer ID. If sending directly from your practice management system, speak to your practice management software vendor about where to store payer IDs.

State (ST):

State specific payers have state abbreviation, national payers are blank.

Payer Name:

Common name used for payer and/or payer specific plans.

Line of Business:

Claims Status Inquiry (276/277): Health Care Claim Status Request and Response.

Eligibility (270/271): Health Care Eligibility, Coverage, or Benefit Inquiry and Response.

Referral Inquiry (278): Health Care Services Review - Request for Review and Response.

Referral Request (278): Health Care Services Review - Request for Review and Response.

Payer Search Options:

Select the Payer Search Options link to view the details of the transaction requirements which include payer defined search options, acceptable provier ID's, scheduled downtime and any additional notes for successful transactions.

Enrollment / Authorization:

Payers marked require notification and/or enrollment prior to sending to these transaction. Select the link for the enrollment documentation.

Every Saturday, from 5:00 a.m. ET to 7:00 am ET, Capario conducts scheduled in-service system maintenance and during this period there will be periods of short, intermittent service outages and/or slow responses.
